Lynn Molinari BSN, MSN, RN

Millis Public Schools, in compliance with the Massachusetts Department of Public Health Regulation 105 CMR 220, requires the following documents before a student enters school:

A copy of a physical exam that contains documentation of a vision screening, TB risk assessment and up to date immunization record.

The school nurse must receive these documents as follows:

- One year prior to or 30 days after entry to Millis Public Schools
- Entering grades : Preschool, Kindergarten, 4, 7 and 10
- Annually prior to participation in school sponsored athletics

New requirement:

Starting in the 2020-21 school year, all students entering Grades 7 and 11 will need meningococcal conjugate vaccine, MenACWY (brand names Menveo or Menactra) for school entry.

Grade 7 entry: 1 dose of MenACWY for all students.

Grade 11 entry: 1 booster dose of MenACWY received on or after 16 years of age. (1 or more doses of MenACWY are acceptable as long as 1 dose was received on or after 16 years of age.)

Visit the MDPH website at <https://www.mass.gov/info-details/school-immunizations>

These records must be received prior to your child's school start date. Please mail, email or fax these records to Clyde Brown School, Millis Middle and High School-attention School Nurse.

If your child's physician believes that these immunizations are inadvisable due to a medical condition, a written statement from your child's physician stating the reason must be given to the school each school year.

If you have a religious objection to immunizations you must provide a written statement indicating your objections and provide it to the school each school year.

Please be aware that students who have a medical or religious reason will be excluded from school if there is an outbreak of a disease for which your student is not immunized.

Thank you for your attention,
