

Student Pick Up of School Items for 2020-2021 School Year

Students may come to the high school to pick up necessary materials and their school schedules for the 2020-2021 school year according to the following schedule. Students will pick up their bags at the side door of the cafeteria. **To avoid contact, we ask that only those students listed for that day and time come. Please wear a mask.** If you see another student picking up, please wait until they are done to approach the pick up area. It is important that we follow social distancing guidelines. In addition to picking up items, we would like to use this time to collect any school issued materials you may have from last year that haven't been returned yet, so please check your house/car for items from last year!

Tuesday September 8

11:00-12:00	Seniors (2021) with last names A-K
