

# WORCESTER STATE UNIVERSITY

To: Rich Riley, Massachusetts Interscholastic Athletic Association  
From: Mike McKenna, Director of Conference & Event Services  
Date: 11/8/17  
Re: Parking Information – 11/18/17

The following is detailed information regarding the parking plan for the MIAA State Soccer and Volleyball Championships taking place at Worcester State University on Saturday, November 18<sup>th</sup>, 2017. Please contact me at [mmckenna3@worcester.edu](mailto:mmckenna3@worcester.edu) regarding questions and/or additional information.

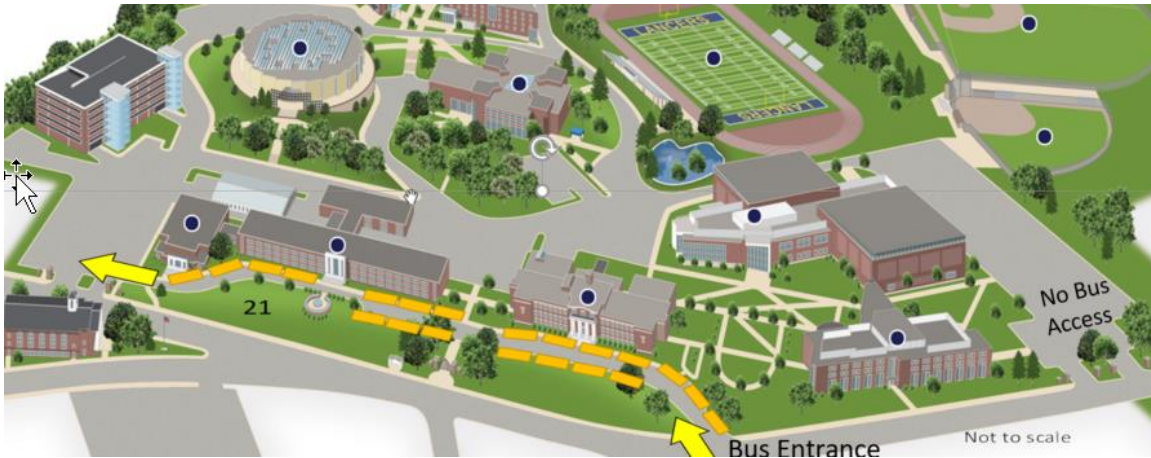

### Directions/GPS Address:

Personal vehicles will enter through the North Entrance across from the Chandler Magnet School. The street address for Worcester State University is 486 Chandler Street, Worcester MA. However, for more accurate GPS directions to the North Entrance, an address of **525 Chandler Street, Worcester** can be used. Detailed directions to WSU can be found at <https://www.worcester.edu/Directions/>.

**Bus Entrance/Parking:**

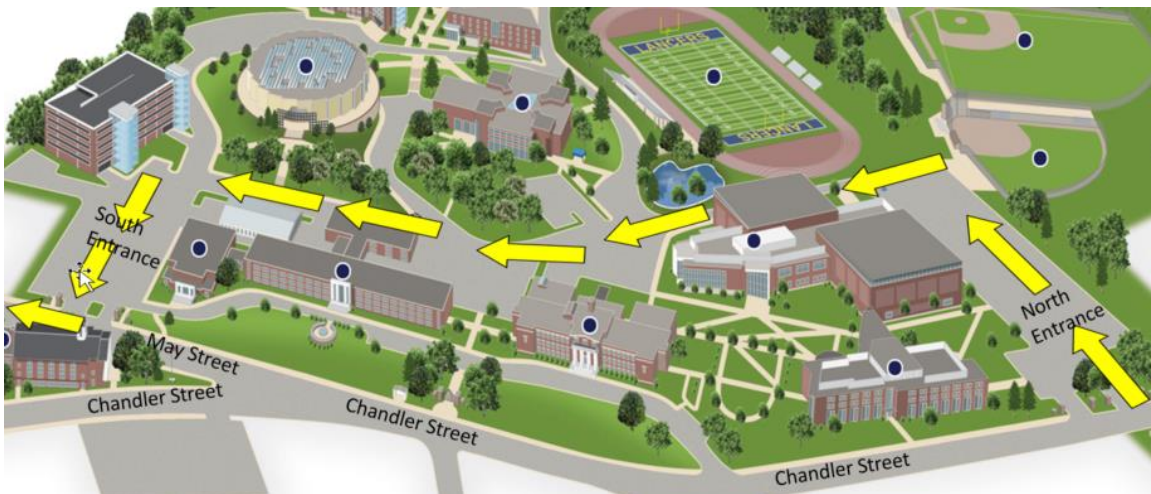

All buses will enter/unload/park in P Lot located at **486 Chandler Street** - the horseshoe driveway in front of campus. Buses **will not** enter campus via the North Entrance to avoid congestion in the parking lots. Signs will mark the entrance to the “Bus Entrance” and a parking attendant will direct buses to the unloading and parking area.

**Personal Vehicle Entrance/Traffic Pattern:**

Due to the large number of vehicles expected on-campus throughout the day, the following one-way traffic pattern will be implemented between the hours of 9:00am-6:00pm:

- All personal vehicles entering campus will be directed to the North Entrance (across from Chandler Magnet School - 525 Chandler Street).
- Personal vehicles will be directed by parking staff to a specific lot depending upon availability.
- All traffic will depart from the South Entrance and directed right on May Street.
- Drivers are requested to turn on flashers when departing to signify to parking staff their intent to leave campus.

**Carpooling/Fan Buses:**

Carpooling and fan buses are strongly encouraged to reduce the amount of vehicles coming to campus – particularly for games/matches occurring later in the day.
