The SAT is a college entrance exam accepted by most colleges and universities. The SAT is a multiple-choice, pencil-and-paper test created by the College Board.

To aid in preparation for the exam, sign up for free practice of Khan Academy. Official SAT Practice on Khan Academy® is FREE for all students and the best way to prepare. It includes videos, eight full-length practice tests, and thousands of practice questions with instant feedback. Sign up at [satpractice.org](http://satpractice.org) for your personalized study plan.

### What's on the Test?

- The SAT has four sections:
  - 65-minute **Reading** section consisting of 52 questions/tasks
  - 35-minute **Writing and Language** section consisting of 44 questions/tasks
  - 25-minute **Math Test – No Calculator** section consisting of 20 questions/tasks
  - 55-minute **Math Test – Calculator** section consisting of 38 questions/tasks

### Day of the Exam

- Information on procedures for entering the building will be provided a few days before the exam.
- Please be on time. There will be no accommodation for late arrivals.
- No refund will be provided for any reason.
- Bring several No. 2 pencils and a calculator with you.
- The exam requires approximately 4 hours. You may expect to finish between 12:30pm-1pm. All students will be dismissed from the exam at the same time. Students who are taking the SAT are not expected to attend classes on April 13th and will be dismissed from the building at the end of the exam.

### After the Exam

- Students will receive an online score report following the exam at [studentscores.collegeboard.org](http://studentscores.collegeboard.org), followed by a paper report.
- Students will receive an overall test score (400-1600) as well as individual section scores, test scores, cross-test scores and subscores.

Please keep the top portion as a reminder.
